

12/13/18

BearCat Training Seminar 2018

Bearcat Manufacturing, Inc. will be conducting our 8th annual training seminar for Asphalt Distributors, Chip Spreaders. This year we are adding the BearCat Kracker. There will be no charge to attend. If you would like to attend, please notify us to confirm your place. Attendance will be limited.

The focus of this seminar is operation, maintenance and trouble shooting.

The location will be at the BearCat manufacturing facility at 3650 Sabin Brown Rd., Wickenburg, AZ 85390. 928-684-7851

The seminars are Wednesday February 21 and 22 from 8am to 4pm. We will be here Friday for anyone that would like additional help. Lunch will be provided Wednesday and Thursday on site. Friday you are on your own.

We will be divided into groups in order to control the class sizes. Groups A, B, C, and D cover the Asphalt Distributors and Chip Spreaders. Group E will cover the Krackers.

The accompanying outlines cover what each Group will present.

Unfortunately, you will not be able to cover everything in two days, so pick the group that best suits your needs. You can be in the same group either days or a different group each day.

You will be free to come and go between the classes as you please.

Sign in will be between 8 and 9am.

Sessions will start at 9am each day.

Lunch will be served at noon each day.

Sessions will start at 1pm in the afternoon and go to about 4pm.

If there is something specific you would like to address that is not covered in the seminar, we will be available for this on Friday.

You will need to arrange lodging and your transportation to and from BearCat. We have included some Wickenburg hotel information for you below.

Wickenburg does not have car rental service.

Let us know which of the equipment training you would like to attend when you make your reservation with us.

Please make your reservation right away by going to our website, www.bearcatmfg.com and click on Maintenance School, then click where it says "Sign Up". Fill in the form and press submit. Send it to school@bearcatmfg.com. Space is limited, so we encourage you to sign up early.

Please keep in mind that we will be in full production, so Safety Regulations will be in place and must be followed.

Los Viajeros Inn	928 684-7099
Rancho Grande	928-684-5445
Super 8 Motel	928-684-0808
